Associated Software Consultants Renews MISMO MXCompliance Certification

MIDDLEBURG HEIGHTS, OH, March 12, 2008 - Associated Software Consultants, Inc. (ASC), a leading provider of loan automation and secondary marketing software solutions, announced today that its PowerLender® Loan Origination System has received an updated MXCompliance certification, ensuring its continued compliance with the Credit Request v2.3.1 specification. The MXCompliance certification program was created by the Mortgage Industry Standards Maintenance Organization, Inc. (MISMO), which is well known for setting standards that facilitate the seamless electronic transfer of mortgage industry data.

MXCompliance Certification confirms the compliance of real estate finance technology with MISMO's XML data exchange standards. This accreditation certifies that a technology solution is MISMO compliant by testing its ability to read and write in accordance with MISMO Standards. With this accreditation, ASC is able ensure customers and industry partners that PowerLender offers the efficiency and scalability associated with MISMO standards.

About ASC

Associated Software Consultants, Inc. (ASC) designs and markets loan automation and secondary marketing software for use by mortgage banks, commercial banks, community banks and credit unions. ASC's business strategy focuses on providing software and support services that enable lenders to improve the volume and quality of their business, streamline workflow and reduce costs. The company's lending solutions enhance primary and secondary mortgage operations, improve overall profitability and better serve borrowers and other constituents.
